JACC Fall '10 News

"when love is not enough"

FALL 2010

When you get to the end of the summer, that's your cue - it's time for our Annual Country BBQ at Prince Lee Acres. We celebrated our 15th Annual BBQ this year, and what a wonderful day it turned out to be...our JACC kids and their families wait for this day all year! Approximately 1,500 people attended on August 28th and had a day full of fun, great food, and lots of activities. Many of the kids were excited to ride our brand new trolley, with our very own Royal Family. In addition, Alice, The Mad Hatter, The White Queen, and The Queen of Hearts all came to make the day as special as possible (even Santa was here!). No matter how old you are, there was something for everyone.

Everyone enjoyed games, crafts, food (including Kawartha Dairy ice cream!), music, entertainment, clowns, a petting zoo, bouncy castles, fishing, crafts... Amazing! Thanks so much to everyone who came out to make this another BBQ to remember. A huge and heartfelt thank you to all of our loyal supporters for your generosity, and the 200+ volunteers who worked **SO** hard to make the day special for everyone...**we couldn't do it without you!**

Mark your calendars for August 27, 2011, to come and experience it for yourself.

If you, your family members, business or organization are interested in volunteering or assisting with our 2011Country BBQ please call our office at 905.852.1799, Ext.22.

From our mailbox...

Dear Jennifer Ashleigh Children's Charity:

Thank you so much for helping us out when with the added costs of transportation, medical bills and other household bills seemed to be drowning us.

I am very proud to say that this week, Brooke will be finishing her last treatment, and hopefully will continue to recover in such a positive way.

Your generosity made this last four months easier to cope with.

Sincere thank you's,

Laura

* Brooke suffered a stroke and Vasculitis (inflammation of the blood vessels) of the brain. We assisted Brooke and her family with emergency household expenses and transportation costs to her medical appointments.

Dear Jennifer Ashleigh Children's Charity:

From the bottom of my heart, thank you so much on behalf of my family, for all your loving kindness and help. I will never, ever forget you. I wish I will fully recover, so that one day I can repay or help out. Although it's such a long time now, since my parents are so busy with other doctor's appointments, it doesn't mean that I have forgotten you. The fact is, no matter how long it was, YOU ARE ALWAYS IN MY HEART AND MIND. May you continue loving and helping more people as always. May God Bless. Again thank you so much!

Love, William

*William is two years old, and was born prematurely. He has developmental delays, and has a possible diagnosis of Cerebral Palsy. We assisted his family with Osteopathy, a form of musculo-skeletal therapy that complements traditional medicine.
