

Here is the picture of the All Star weekend I promised you. I am on the right. It is hard to express how great a weekend we had. Everything was first class and all the people from Jackson Events made sure we had everything we needing and that our experience was prefect.

We spent time with Hockey Hall of Famers Peter Mahovlich and Denis Potvin. We couldn't have had a better time. I want to thank the Jennifer Ashleigh Children's Charity for everything. Thanks  
Jason
